Greens Grade Granular Fertilizer

Healthy, Durable Turf.

**DEEP GREEN
COLOUR**

**STRONGER
ROOT SYSTEMS**

**HEALTHIER
TURF**

**IMPROVED
STRESS TOLERANCE**

**SUPERIOR PLAYABILITY
& APPEARANCE**

The Advantage

Core Premium Products' granular fertilizer is specially formulated for golf greens and tees, providing a balanced blend of nutrients for consistent, long-lasting nutrition. It promotes vibrant colour, dense turf and exceptional playability — exactly what your course demands.

- ✓ 24% Total Nitrogen with 60% controlled release for steady, consistent feeding
- ✓ 4% Available Phosphoric Acid (P_2O_5) for strong root development
- ✓ 16% Soluble Potash (K_2O) for improved turf quality and stress tolerance
- ✓ 5% Sulphur (S) and essential micronutrients (iron & manganese) for optimal plant health
- ✓ Ideal for golf greens, tees and high-performance turf areas

Guaranteed Minimum Analysis

Total Nitrogen (Azote Total) (N) 24%
Available Phosphoric Acid (Acide phosphorique assimilable) (P_2O_5) 4%
Soluble Potash (Potasse Soluble) (K_2O) 16%
Total Sulphur (Soufre Total) (S) 5%
Iron (Fe) actual (réel) 1%
Manganese (manganèse) (Mn) actual (réel) ...0.5%
